THE BEST TREK FOR NATURE LOVERS !!

OVERNIGHT TREK TO GORAKHGDAD

Gorakhgad is a fort located in the Murbad region of Maharashtra. Owing its name to Saint Gorakhnath, Gorakhgad was used for patrolling during Shivaji's reign. The fort however, offers a lot more to trekkers than to history buffs. The dense forest cover that leads up to the fort, the steep vertical face that requires a considerable amount of rock climbing, the caves and the final ascent to the top of the fort add up to making this a very adventurous trek.
